<u>Risk Disclosure / Disclaimer</u>

- 90% of individual traders in the equity Futures and Options Segment incurred net losses.
- Consult your Investment Advisor before investing.
- Subscribers can use DalRoti AI-based /ALGO STRATEGIES for knowledge purpose only and for Paper Trading for a few days to ensure the strategy's tradability/profitability in the market.
- DalRoti isn't liable for your Profits or Losses.
- The Subscription Fees PAID are NON-REFUNDABLE.
- None of our AI-based ALGO STRATEGIES shall be considered as investment advice, as we are not a SEBI registered investment advisor.
- Values fetched through API links from any broker may vary at any given moment, resulting in different outcomes altogether, for which DalRoti won't be liable.
